In re Application of :
Po-Ying Chan-Hui et al :
Application No. 10/623,057 : DECISION ON PETITION
Filed: July 17, 2003 : UNDER 37 CFR 1.137(b)
Attorney Docket No. 124.01US :

This is a decision on the petition under 37 CFR 1.137(b), filed May 26, 2006, to revive the above-identified application.

The petition is **GRANTED**.

This application became abandoned by operation of law for failure to timely pay the issue and publication fees on or before May 15, 2006, as required by the Notice of Allowance and Fee(s) Due, mailed February 13, 2006. Additionally, a "Notice of Drawing Inconsistency with Specification" was mailed April 14, 2006, which set a one month or thirty (30) day non-extendable period for reply. No reply to the Notices having been timely received, the date of abandonment of this application is May 16, 2006 (May 14, 2006, the due date, is a Sunday).

The petition satisfies the conditions for revival pursuant to the provisions of 37 CFR 1.137(b) in that (1) the \$700 issue fee, the \$300 publication fee, and the reply to the Notice of April 14, 2006; (2) the \$750 petition fee; and (3) an adequate statement of unintentional delay have been received. Accordingly, the reply to the Notices of February 13, 2006 and April 14, 2006 is accepted as having been unintentionally delayed.

The application file does not indicate a change of address has been filed in this case, although the address given on the petition differs from the address of record. If appropriate, a change of address should be filed in this case in accordance with MPEP 601.03. A courtesy copy of this decision is being mailed to the address noted on the petition. However, until otherwise instructed, all future correspondence regarding this application will be mailed solely to the address of record.

Telephone inquiries concerning this decision should be directed to the undersigned at (571) 272-3218.

This matter is being referred to Publishing Division.
